Re: Account of James Turnbull
N.E. 4-10-13-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $307.15 were advanced to James Turnbull on the security of the above mentioned land. Payments of $25.00 and $226.10 were received in 1917 and 1944, respectively, and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 307.15	$ 318.24	$ 625.39

Patent was issued in the name of James Turnbull for the N.E. 4-10-13-W4 on the [illegible]th of September 1913 and later became subject to the 1915 liens. The debtor also acquired title to the N.W. 34-7-14-W4 to which the liens also became attached but this land was released as security for the liens on the payment of $226.10 under authority of Order in Council P.C. #5[illegible] dated the 24th of January 1945.

In 1[illegible] the N.E. 4-10-13-W4 became subject to forfeiture proceedings for non-payment of arrears of taxes and title was acquired by the Municipal District of Berens No. 14.

The Municipality has been unable to dispose of the land by sale and it is now included in a grazing lease issued in the name of Alex Walker of Grassy Lake, Alberta. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the balance of the indebtedness be cancelled and the liens discharged.

C. [illegible] Gilchrist.

Memorandum:-

I beg to submit the case of Mrs. Ann A. Alcock, who cancelled timber location 18, Township 11, Range 10, West Fourth Manitoba on the 18th October, 1922.

Cancellation was made in error inasmuch as on the 21st December, 1914, Mrs. Alcock filed a petition in the Supreme Court of Manitoba praying for a writ of mandamus requiring were, inter alia, required, before until the 1st July, 1917.

On the 4th July, 1916, Homestead Inspector Link reported that Mrs. Alcock, among others, was not performing the required settlement duties. However further particulars were desired and the Inspector was asked to furnish a fuller report.

His report, dated the 8th September, has not been received and it appears that Mrs. Alcock has done nothing whatever in the way of residence or improvements. Please say whether or not entry may be cancelled and the land otherwise disposed of.

Sir:

I am in receipt of your letter of the 7th instant, forwarding communication from the Secretary Treasurer, Municipal District of Little Bow.

As the Municipality is evidently having difficulty in making collection of its indebtedness, I do not think it advisable that any pressure should be brought to bear for collection of the said Drainage Indebtedness at this time as the Department is amply secured thereon by Lien being attached to extent which therefore constitutes a prior charge to all other mortgages.

Mr. E.M. Medlen,
Dominion Member,
Seed Grain Advisory Board.

Re; Account of W. Galenkamp,
N.W. 18-11-22-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $179.55 was advanced to W. Galenkamp on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 179.55	$ 426.06	$ 605.61

Patent was issued in the name of Walter Galenkamp for the N.W. 18-11-22-W.4th on the 28th of September, 1920, subject to the 1919 lien.

In 1925 the land became subject to forfeiture proceedings for non payment of arrears of taxes and title was acquired by the Municipal District of Little Bow No.98.

In 1925 the Homestead Inspector reported that there had been no crop on this land for three years and that the lienee had been in the hospital for a long time.

On the 5th of May, 1925, J.A. Cow, Secretary-Treasurer, Municipal District of Little Bow No. 98, Barons, Alberta, wrote as follows:-

"we hold liens against this land to the amount of about $900. 0, also taxes for 7 years. It is impossible for us to sell the land or get anything out of it. It is not worth more than the amount of the taxes at the present time.
In view of this I do not think that we feel disposed to pay this lien."

The land is still assessed as of very low value and as such no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

The undersigned member of the Seed Grain Advisory Board, having taken into consideration the attached report, approves the settlement outlined therein and does hereby recommend:-

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment and the liens discharged.

MEMORANDUM:

With reference to Mr.N.O.Cote's memorandum of February 18th last (marked) in which one W.A.Lyndon applies on behalf of the estate of the late C.A.Lyndon to purchase the NW¼28, Township 12, Range 29, West 4th Meridian, which quarter section is included in a lease-hold held by the said estate.

The above application was practically approved (see Deputy Minister's endorsation on Mr.Cote's memo.) provide however that letters of administration in connection with the said estate, be fyled with this Department, and also that a Homestead Inspector's report be first secured.

The Acting Agent of Dominion Lands at Lethbridge now submits Homestead Inspector Lindal's report with regard to the land applied for, in which he states that the same is broken and hilly, and only fit for grazing, that Mr Lyndon is the owner of 400 cattle and 80 horses; that he has been in residence on the NE¼ of Section 27 since the year 1892 and is a bona fide settler; that he is the owner of the following properties:-

N.W.	Section	26,	Tp. 29.	W.4th M.
N.E.	"	27	"	"
S½	"	34	"	"
N.W.	"	34	"	"
S.W.	"	35	"	"

The Inspector further states that the land applied for would be of considerable advantage to Mr. Lyndon as he is completely surrounded by ranchers and recommends

the sale

the sale at the current rate of $3.00 per acre.

It may be noted that the Inspector in his report makes mention of only Mr W.A.Lyndon, not to C.A.Lyndon, the original leaseholder.

I beg also to draw attention to the fact that in the departmental letter of March 6th last hereunder, to the Agent at Lethbridge, it is pointed out that under the regulations in existence when this above mentioned lease was granted, provision was made for a home farm and corrall to be purchased by leaseholder.

I beg also to advise you that the letters of administration which Mr.W.A.Lyndon was ~~directed~~ *requested* to fyle with the Department, March 6th last, have not as yet been received here.

OFFICE OF
THE DIRECTOR OF SOLDIER SETTLEMENT
OTTAWA, CANADA

March 8, 1940.

MEMORANDUM:

Request for Transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: S.W.¼ 34-47-26 W.4th (Estl.)
Edward Alfred Spooner

This settler was established under the Soldier Settlement Act, a loan in his favour having been approved in August, 1919. Advances totaling $6,185.50 were made on his behalf as follows: Land $3000.00; stock and equipment $1999.92; Permanent Improvements $485.35; Special Advances $779.23. There is no other land security in this case as the N.E.¼ 32-47-26 W.4th, purchased for the settler, has been sold.

This settler has been absent from the farm for over ten years and has been making his living at his trade as a plasterer in the city of Edmonton. He left one of his sons to operate the farm, but conditions did not improve under the son's management and in 1938 it became necessary to rescind the settler's agreement. This action was taken pursuant to a thirty day notice addressed to him on the 3rd of May, 1939. Subsequent to rescission the settler was given an opportunity of re-establishing himself on the homestead quarter, but he has failed to make satisfactory arrangements for the reduction of his indebtedness to the Department.

After crediting the sale price of the N.E.¼ 32-47-26 W.4th, amounting to $[illegible], and legislative concessions of $3382.41, his present indebtedness including interest charges amounts to $3613.32. There has been no recent appraisal of the S.W.¼ 34-47-26 W.4th, but it was valued in December, 1938, at $[illegible]. No arrangements have been made for the disposal of this land, but we have had enquiries from prospective purchasers.

Pursuant to the provisions of Section 27 of the Soldier Settlement Act, and to the powers vested in the undersigned under the Amendment of 1931 to the Act, it is requested that the right, title and interest of the settler in the above land be forfeited to the right, title and interest of His Majesty and also the right, title and interest of His Majesty to and in the said chattels be vested in the Director of Soldier Settlement of Canada.

A Vesting Order for signature is attached hereto.

G. H. Jamieson

Director.

The Deputy Minister,
Department of Mines and Resources,
O t t a w a.

TO ALL WHOM IT MAY CONCERN:

WHEREAS it is in effect provided in and by Section 27 of the Soldier Settlement Act, being Chapter 1[illegible] R. S. C. 1927, that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion Land on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, the Minister, upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said right, title and interest of the settler and also the right, title and interest of His Majesty to or in such charged land to be vested in the Board.

AND WHEREAS Edward Alfred Spooner, formerly of Millet, Alberta, and presently of [illegible] - 11th Avenue, Edmonton, Alberta, a settler holding the following [illegible] land, viz: S. W.¼ 21-47-26 W.4th, upon the security of which the sum of $[illegible].00 has been advanced and upon which a charge has been created by virtue of the provisions of Section [illegible] of the Soldier Settlement Act, Chapter [illegible] R. S. C. 1927, being in default with respect to the terms and conditions of the Agreement executed to the Board on the 14th of September, 1[illegible], in that he has not the land for the working, improvement and cultivation of which advances were made to him by the Board, and otherwise failed to comply with the loan conditions of the Board, the latter has upon a request made by the Director of Soldier Settlement, upon whom under Chapter [illegible], 21-22 George V, has devolved all the powers and authority heretofore vested in the Soldier Settlement Board, found and determined that the settler is in default as aforesaid and has declared that the right, title and interest of the said settler to or in the said quarter section [illegible] thereafter be forfeited.

NOW KNOW YE that the undersigned pursuant to the powers and authorities conferred upon him by said Section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty thereon, except mines and minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Director of Soldier Settlement.

Ref. 978[illegible]

Ottawa, 7th November, 19[illegible].

Memorandum:-

I beg to return Senator Talbot's letter of the 30th ultimo, in which he states that Louis C. Kaping, who came under homestead entry the W.½ of section 32, township [illegible], range [illegible], west [illegible] meridian, has made improvements thereon to the value of $7[illegible].00, but that owing to his wife's illness he desires to abandon the place. Senator Talbot wishes, if not contrary to the usual rules of the Department, to locate scrip on the land, in which case he would pay to the Department the value of the improvements. He also says that Mr. Kaping is anxious to take his wife away at once, but is unable to do so for lack of means, and he suggests that in the event of his being permitted to have scrip placed on the land that the value of the improvements be paid over by him to the Agent of Dominion Lands at Stettler, and that the same be handed to Mr. Kaping upon his filing the usual declaration of indemnity, and that if this can be done the approval of the Department that the Agent of Dominion Lands at Stettler be [illegible] accordingly.

According to the records of this Patent Branch the quarter section above mentioned was homesteaded by Mr. Kaping on the 27th October, 1908. No application appears to have been made for inspection of Mr. Kaping's entry

W.W. Cory, Esq.,

Deputy Minister of the Interior.

W[illegible] have under similar circumstances in a few special cases allowed a homesteader to abandon his entry with a view to having Half-breed scrip located thereon, but where there are improvements on a homestead the usual practice is for the Agent, upon granting re-entry therefor, to collect the value of such improvements and to deposit [illegible] to the credit of the Receiver General the money collected, and the Department then issues a refund cheque in favour of the person by whom such improvements were made, the value of the improvements being generally estimated by a Homestead Inspector.

MEMORANDUM:

Mr Alfred Jevne writes stating that he would like to purchase the fractional S.E.¼ of section 4-48-19 West 4th. Meridian, which adjoins his homestead the S.W.¼ of the same section.

The land applied for, which consists 40 acres, is vacant in the records of the Department. It is shown hatched in red on the sketch hereto.

In this connection please see my memorandum of even date (file 97915Z) relative to the application of Mr. P.T. Jevne to purchase the fractional N.E.¼ of section 4 in the same township.

J.W. Greenway Esq.,
Commissioner of Dominion Lands.

M.C. Ref. 979130.

Department of the Interior,

Ottawa, July 4th, 1905.

Memorandum:-

Mr. K.O. Hollag says that he holds the N.E. I/4 of Section 33, Township 47, Range 19, West Fourth Meridian, and wants to obtain, either by homestead entry or purchase, the fractional S.E. I/4 of Section 4, Township 48, Range 19, West Fourth Meridian, which is shown on the sketch hereunder to contain 40 acres. Mr. Hollag says that he has no homestead and would be willing to accept this fractional quarter as such. One Alfred Jevene who has homestead entry for the S.W. I/4 of Section 4 was advised on the 21st February last that he would be permitted to purchase these forty acres in the S.E. I/4, the sale to be subject to his earning title to his homestead. The Agent at Edmonton advised Mr. Jevene on the 28th February last that he could purchase this land but, up to the present time, he does not appear to have made any payment thereon.

If this parcel of land is not taken up by Jevene do you approve of Hollag getting it by either homestead entry or purchase, and, if so, Hollag of course must understand that, should he take the land as a homestead, it will exhaust his homestead right. I would recommend that the Agent be advised of this application of Hollag's and told to communicate with Jevene giving him a stipulated time within which to make payment, otherwise, the sale will be cancelled. Mr. Hollag might be advised that until the land has been made available his entry can only be noted.

MEMO;

The Commissioner of Dominion Lands,

Messrs. Latchford, McDougall & Daly, Barristers of this city on behalf of Mr. C.P. Hill, have applied for a right to build a railroad over part of Section 17, Township 7, Range 3 W.5th Meridian. This railroad is intended as a spur line running from Hill's Coal pit to the Canadian Pacific Railway and cannot therefore come within the order in Council granting free Right of Way to Railways but is a Colliery Charter for colonization purposes. Mr. McDougall in conversation with myself stated that Mr. Hill was quite willing to pay for the land occupied as the Right of Way in question. I suppose we can tell him that upon filing here a proper plan of survey, Right of Way we will sell the land required.

A Notice of Patent was issued to him for this homestead November 11, 1909.

What I am trying to develop is the citizenship and information of my step-daughter, Irene Esther Gillis, who was a daughter of James Gillis above-mentioned, who was born in or near Gadsby and/or Stettler, Alberta, on or about February 13, 1909. It would assist me very much if I might obtain copy of Mr. James Gillis' homestead application, for the purpose of developing when and where he was born, and any other information possible with regard to his wife, Effie Mae (or May) Salisbury Gillis.

According to certified extract of registration of death which I received from the Department of Public Health, Alberta, Bureau of Vital Statistics, Mr. James Gillis passed away at Gadsby, Alberta, April 15, 1910.

To defray any cost of search or certified copy of the record, I am enclosing $2.00, and if any additional sum is necessary, please advise, and I will be very glad to remit.

Yours very truly,

Dear Sir:

Re: S.½ Sec.2, Twp. 38, Rge.14 W.4th Meridian
Province of Alberta.

I have your letter of the 10th of May, 1955, relative to your enquiry as to the citizenship of your step-daughter, Irene Esther Gillis.

In reply, I wish to inform you that one A.H. Hall applied for homestead entry on behalf of James Gillis on the 15th of December, 1905, for the above-mentioned land, and gave his nationality as 'American, from Washington, U.S.A.'.

Letters Patent were issued in the name of James Ingleton Gillis on the 11th of November, 1909, his address at that time was Ingleton, in the vicinity of Stettler and Gadsby, Alberta. In his sworn statement dated the 5th of August, 1909, in support of his application for the said Letters Patent he gave his age as 32 years. He was naturalized on the 31st of August, 1909, at Red Deer, Alberta. He also stated that his family consisted of his wife. There is no mention of any children in his application.

Your letter refers to your step-daughter, Irene Esther Gillis having been born in or near Gadsby, or Stettler, Alberta, on or about the 13th of February, 1909. Such being the case, she would have become a Canadian Citizen by reason of the naturalization of her father on the 31st of August, 1909.

I am enclosing the sum of $[illegible] which accompanied your letter, as there is no charge for this service.

Yours very truly,

C.K. LeCapelain

Re: Mrs. Nettie Marhschak,
Wakaw, Saskatchewan.

The above named is applying for Old Age Assistance and we are attempting to verify her date of birth.

According to information on file her husband homesteaded the S.W. 16-42-1-W3rd in or about 1904 and disposed of the property about 1912.

It would be greatly appreciated if you would refer to your records and provide us with the date of birth of Mrs Marhschak, as given by her husband, Mr. Yurko Marhschak at the time he applied for homestead rights.

We regret that we cannot be more specific but the applicant's memory is quite vague.

Yours faithfully,

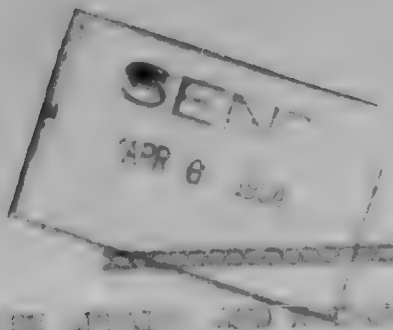

SUPERVISOR.
